

FOR USERS

When downloading Addons developed by ISPsystem:

1. You are granted a simple non-exclusive license to use the Addons under the terms and conditions of [Software License Agreement](#) (hereinafter – the Agreement). For the purposes of the Agreement the Addons are referred to as “Additional Content”.
2. License to use the Addons is granted:
 - in relation to free Addons – for the validity period of the license for Software Product, which the Addon is used with, whereas for Software Products provided for the entire term of the exclusive right (perpetual licenses) – for 1 year with automatic renewal.
 - in relation to fee-based Addons – for the period of paid license to use the Addon.
3. ISPsystem does not guarantee that the Addons meet user expectations, and the Addons are provided on an “as is” basis.
4. ISPsystem is entitled at any time to cease issuing and publishing the Addon as well as to terminate license validity without any refund or compensation.

When downloading Addons not developed by ISPsystem:

1. Addons are downloaded from the resources of third-party Developer. Prior to downloading or using the Addons, it is required to read carefully the Developers licensing provisions, terms and conditions of technical support, compatibility, as well as perform testing on a test bench that replicates the parameters of runtime environment.
2. Under no circumstance shall downloading of Addons from the Catalogue be construed as granting of license to such Addon.
3. The Catalogue is for reference only and not a recommendation or approval of certain Addons and Developers.
4. ISPsystem does not perform any tests on the Addons. Under no circumstance shall publication in the Catalogue be construed as a validation of compatibility, credibility, or the fact that there are no bugs, vulnerabilities.
5. ISPsystem assumes no liability for the content of external resources linked in the Catalogue.
6. Any matters pertaining to the purchase and use of the Addons shall be resolved exclusively with their Developer.
7. ISPsystem assumes no liability arising from the use (or inability to use) the Addons, including no liability to maintain any technologies in its software products that ensure compatibility with the Addons.
